RadTherm User Group Meeting

Dates

February 26 and 27, 2008: RadTherm User Group Meeting
February 28, 2008: Radtherm Training Session

Location

Boblingen, Germany, at the HP Solution Center

Registration

The registration fee for the UGM is €300. The optional RadTherm Training session has an additional cost of €300. You can register via email to info@govirtual.se, by fax at 46-312-86205 (Go Virtual) or 1-906-482-9755 (TAI), or on-line at www.thermoanalytics.com/ugm.

Agenda

The agenda for this meeting is under final development. Please contact us if you have questions about the schedule. We are planning for several technical presentations by advanced users, along with new feature demonstrations and future development plans.

If you are interested to present please send the title of your presentation with a short abstract to info@thermoanalytics.com or sven.perzon@govirtual.se
